

Export Finance Specialist – Nordics

Are you experienced in deal making with a passion to drive business opportunities in the Nordic market? We are looking for an individual with a good understanding of debt products and with a particular focus on Export Credit Financing to join our team in Stockholm. CACIB's ECA & Multilateral Financing Solutions team is a market leader with ~60 people in 17 countries globally supporting our corporate and sovereign clients' funding needs through the bank's network.

What you will do

- Originate, structure and execute export finance transactions in the Nordics
- Build and maintain strong relationships with exporters, investors, banks and ECAs
- Work closely with relationship managers, coverage, and international network to identify new opportunities
- Contribute to portfolio management, client pitches, and transaction execution
- Ensure compliance with regulatory, risk, and KYC requirements

What we are looking for

- University degree and relevant experience from deal origination and closing
- Experience from ECA financing is an asset
- Solid understanding of credit assessment and risk
- Knowledge of Nordic ECAs and relationships with Nordic corporates is a strong advantage
- Strong relationship-building and communication skills
- English and one of the Nordic languages, Finnish is an advantage but not required

We welcome you to join our global team and contribute to strengthening export finance solutions for Nordic clients.
